2. Press the 3M tape firmly, ensuring it is securely stuck to the glass.
3. Wait 1 hour after gluing the mounting bracket and install the RoomPanel Plus Black next.

TIP

Take 20° mount bracket as an example for reference.

1. Glue the locating sticker to locate the installation position

Not included: Level instrument
需自备: 水平仪
Nicht enthalten: Richten Sie das Gerät aus
Mettre l'instrument de niveau non fourni
No se incluye: Instrumento de nivel

2. Glue the mount bracket to the glass

1

2

3. Connect the ethernet cable

4. Place the RoomPanel Plus Black onto the bracket. When you hear a click, tighten the screw to fasten the device in place

1

2

5. Glue the glass sticker on the back of the glass to maintain the aesthetics (Optional)

Mount Mullion

TIP

Take 0° mount bracket as an example for reference.

1. Locate the installation position

Not included: Level instrument
需自备: 水平仪
Nicht enthalten: Richten Sie das Gerät aus
Mettre l'instrument de niveau non fourni
No se incluye: Instrumento de nivel

2. Install the mullion mount bracket and attach the bracket

1

X 2
(Φ6*30 mm)

X 2
(T4*30 mm)

2

X 4
(M4*6 mm)

3. Connect the ethernet cable

**NOTE**

You can route the cable through this hole.

4. Place the RoomPanel Plus Black onto the bracket. When you hear a click, tighten the screw to fasten the device in place

1

2

Connect RoomPanel Plus Black
